Dear Friends,

These are exciting and innovative times at the National Museum of Racing and Hall of Fame. With many new initiatives underway and several exciting projects on the horizon, the Museum is well positioned to thrive moving forward. Our goal is a big one — to be the best sports hall of fame and museum in the country. For almost 70 years, the National Museum of Racing and Hall of Fame has chronicled and promoted thoroughbred racing and recognized its greatest achievers with the sport’s most prestigious honor, election into the Hall of Fame. It is a mission we will always remain dedicated to.

The Museum has offered several exciting and educational exhibits in recent years, including *Women in Racing*, which celebrates the monumental accomplishments and the role of women in our sport. The exhibit has been tremendously successful and provided great visibility for the Museum.

Several other initiatives are also creating a lot of excitement at the Museum. They include the continued success of Foal Patrol, a one-of-a-kind website designed with the support of The Jockey Club and Keeneland where fans can get up close and personal with mares and their foals via live web cameras. The program has reached people in 37 countries and draws more than one million views across its various media platforms annually. We are excited to renew the project for another year with the third season beginning in late 2019.

Recognizing the most prominent participants in racing is at the core of our mission through the Hall of Fame. In 2019, we honored jockey Craig Perret, as well as the incredible thoroughbreds Royal Delta, Waya, and My Juliet. The 2019 Hall of Fame inductions also featured the enshrinement of Pillars of the Turf James E. “Ted” Bassett, Christopher T. Chenery, Richard L. “Dick” Duchossois, William S. Farish, John Hettinger, James R. Keene, Frank E. “Jimmy” Kilroe, Gladys Mills Phipps, Ogden Phipps, Helen Hay Whitney, Marylou Whitney, and Warren Wright, Sr.

The Museum continues to offer outstanding public programming and special events, including Museum tours with the legendary race caller Tom Durkin, handicapping seminars, guest speakers, tours of Saratoga Race Course’s famous Oklahoma training track, events celebrating the Triple Crown series and the Breeders’ Cup, and a variety of educational initiatives for all ages.

As we look toward the future, we are dedicated to continuing to enhance and expand our multimedia efforts, including our website and social media outreach to complement our new, best-in-class Hall of Fame that will open in the summer of 2020 and be a must-see attraction in Saratoga Springs.

The Museum has been a vital component of the Saratoga community since its founding in 1950 and has served a crucial role in racing through its mission of chronicling and promoting the sport. We thank you — our members, our local and national community, racing enthusiasts, and Board of Trustees — for the dedication and support you provide that affords us the opportunity to develop our visions into success stories for all to enjoy.

John F. Hendrickson
President, National Museum of Racing and Hall of Fame

Hall of Fame Induction Ceremony

Held each August in Saratoga’s Fasig-Tipton Sales Pavilion, this celebration honors the lifetime achievements of racing’s greatest horses, jockeys, trainers, and Pillars of the Turf. The event has featured speakers such as Bobby Flay, Gary Stevens, Chris McCarron, Kenny Rice, and Tom Durkin.

2019 Hall of Fame induction ceremony recap: The Museum welcomed its newest class of Hall of Fame inductees on Friday, Aug. 3, 2019. The inductees included Craig Perret, Royal Delta, Waya, My Juliet, James E. “Ted” Bassett, Christopher T. Chenery, Richard L. “Dick” Duchossois, William S. Farish, John Hettinger, James R. Keene, Frank E. “Jimmy” Kilroe, Gladys Mills Phipps, Ogden Phipps, Helen Hay Whitney, Marylou Whitney, and Warren Wright, Sr. Tom Durkin served as the event’s master of ceremonies.

Panel Discussions: Free panel discussions with racing experts and industry insiders are presented periodically in the Hall of Fame such as the Countdown to the Triple Crown, Travers Preview, Countdown to the Breeders’ Cup, and Saturday Morning Socials.

The Museum would like to thank the following individuals who participated in public events at the Museum in 2019:

Craig Perret
Julie Krone
Greg Montgomery
Michael Veitch
Tom Durkin
Tom Amello

Melody Dobson
Jody Lamp
Kate Chenery Tweedy

HALL OF FAME EDUCATION EXPERIENCE

The National Museum of Racing and Hall of Fame embarked on a new project in August of 2018 called The Hall of Fame Education Experience, the goals of which are to:

- Draw visitors into the incredible experience of Thoroughbred racing.
- Inspire visitors with the deep level of mastery required of jockeys, trainers, and owners even to be competitive in the sport.
- Magically transport visitors into the presence of the greatest of the greats at a transformative moment in the story.
- Motivate visitors to continue their exploration through the Museum and to share their enthusiasm long after their visit.
- Set the bar for dramatic and immersive interactive experiences throughout the Museum.

HALL OF FAME

These goals will be accomplished through a larger than life cinematic experience that will inspire visitors' emotional engagement with the story — a thrilling exploration of the question, "What does it take to be among the greatest of the greats, to be a member of the National Thoroughbred Racing Hall of Fame?". The show will unfold as progressively larger screens descend into the middle of the space, building to the moment when full 360° projections surround the audience, literally placing the visitor in the middle of the story.

As the film closes, large-scale monitors placed around the room come to life with portraits of Hall of Famers. Here, visitors come eye-to-eye with every inductee and can delve deeply into stories about some of the most famous horses and individuals in the sport.

Race Day Gallery

This newly renovated space will include three main areas: the Paddock, the Track and the Winner's Circle. The visitor will learn about the Paddock, where the interaction between the horses and the public begins; the Track, which highlights 18 of the most prestigious tracks around the country, and the excitement and joy that comes from the hoped-for race result of entering the Winner's Circle.

The project is to be completed in July of 2020, when the Museum will be reopened to the public after closing on January 1, 2020.

A \$20 million campaign was started to fund this project, as well as maintain it and ensure the financial stability of the Museum for many years to come. By the end of 2018, \$7,848,450.06 was received in pledges towards this goal.

The event attracted over 250 attendees who purchased bricks in support of the Museum, as well as the family and friends of Mrs. Marylou Whitney and Mr. John Hendrickson, the generous benefactors of the Courtyard. It was a wonderful event, and the Museum is pleased to honor a founder in such a way.

Education 2019 Annual Report

The Education department offers a wide variety of tours and programming at the National Museum of Racing and Hall of Fame. We also are responsible for outreach events and additional educational opportunities outside the museum.

In 2019 we continued leading the 4th grade Health, History and Horses Tour during the months of May and June. We saw 382 local 4th graders, from five Saratoga Springs City School District elementary schools. Additional field trips included students from area schools such as Burt Hills- Ballston Lake, Schuylerville, Scotia-Glenville, St. Catherine's, Broadalbin-Perth and Greenville, totaling about an additional 100 students. Two 4-H student groups also visited the Museum in 2019. They went on a tour of the Oklahoma Training Track, the museum, and several members also rode the simulator. It is our goal for 2020 to further expand our 4-H programming nationally.

The Oklahoma Training Track Tours were also wildly popular again this year. Between the individual and group Oklahoma Training Track Tours we saw over 300 visitors. Museum Tours continue to be popular with travel agencies and large bus groups totaling approximately 480 visitors. Farm Tours were held at several local thoroughbred farms and were a popular addition to the 2019 tour roster. The farm tours were usually capped at 25 attendees because of space restrictions on the farms. Even so, we received so much interest in these tours many farms allowed us to add additional people, bringing the total between all seven farm tours to 136 people. Museum programming series Horse Explorers continued through 2019, including a special version during the track season called "Summer Drop-In." These programs are popular with both local residents and out of town visitors looking for family friendly activities. We started a new program this summer for children ages 0-2 called "Backstretch Babies" where children were read a book and played with sensory friendly toys. We also created Boy Scout Merit Badge programming for Animal Science and Art and had several Boy Scouts in the museum to complete these badges.

The 2019 Rodion Cantacuzene Scholarship was awarded to Grace Alberti of Saratoga Springs High School in June of 2019. We received 19 applicants in 2019, a steep increase compared to the 2 applicants in 2018. The 2019 Student Art Show included over 150 pieces from local students in grades 3 - 12. The opening reception for the 8-12 Student Art Show saw over 140 students and family members in attendance. The 1st place senior winner awarded a copy of her piece to the winner of the National Museum of Racing and Hall of Fame's named race in August at the Saratoga Race Course. This is a tradition we would like to continue in the future. In the summer of 2019, we led programs at the Children's Museum at Saratoga on Mondays during July and August. These programs allowed us to reach a younger audience and spread information about the educational opportunities available at the National Museum of Racing and Hall of Fame. Other outreach events in 2019 included Great Places and Spaces event at the New York State Museum, STEM Expo at Division Street Elementary School, Woodlawn Commons Community Center presentation, SPAC Festival of Young Artists and several SPAC Family Night events through the summer months.

The Discovery Paddock at the Saratoga Race Course saw over 6,000 visitors during the 2019 track season. Visitors to the Discovery Paddock were able to ride an equipony, try on a jockey silk, practice shoeing a horse, read informational panels about horseracing, and participate in various take home activities.

In the fall of 2019, we succeeded in creating an equine themed 3rd grade STEM packet based on New York State Common Core Education standards. We worked closely with teachers and administrators from Saratoga Springs City School District and additional educational consultants to create this 30-page science focused learning experience.

Education 2019 Annual Report

At the beginning of the 2019 school year we were officially given permission by Saratoga Springs City School District's administration to release the packet for use in their third-grade classrooms.

On December 28, 2018 the National Museum of Racing and Hall of Fame launched the second season of Foal Patrol, a collection of live web cameras where people can view real-time streams of several in-foal mares during their pregnancy through the actual foaling. In season two a stallion was added to show an additional angle of the daily life for an equine athlete. Each individual page featured updates on the horse and extensive educational content, including nutrition, daily schedule, and fun facts. There is also a comprehensive background of each mare including racing history, video and image galleries. Regular blogging, video content and audio interviews kept fans of the horses updated on daily activities and their care. Following the foaling, there were updates on the development of the foal including first steps, weigh ins and socialization time. In 2019, an education blog was added to the site that covered nutrition, anatomy and pedigree, career paths and behavior. Various topics were covered throughout the season to educate Foal Patrol fans on the development and training of Thoroughbred horses using photographs and videos generously provided by Godolphin. The veterinarians Dr. Ted Hill and Dr. Stuart Brown edited these posts to ensure accuracy.

Season 2 of Foal Patrol featured eight mares and one stallion: With Honors at Claiborne Farm in Paris, KY (in foal to Tapit); Love and Pride at Three Chimneys Farm in Versailles, KY (in foal to Gun Runner); Frivolous at Shawnee Farm in Harrodsburg, KY (in foal to Candy Ride); Viva Sheila at Edition Farm in Hyde Park, NY (in foal to Ghostzapper); Comme Chez Soi at Old Tavern Farm in Saratoga Springs, NY (in foal to Malibu Moon); Starr Bear at Double Diamond Farm in Ocala, FL (in foal to First Dude); Silver Colors at Gainesway Farm in Lexington, KY (in foal to Tapit); Lassofthemohicans at Denali Stud in Paris, KY (in foal to Candy Ride); and stallion, Frosted at Jonabell Farm in Lexington, KY.
